

School Lunch Program

A program of the Home & School Assoc.

If your student would like to order Subway sandwiches, Lox Stock & Bagel sandwiches, or hot dogs for the first quarter, please complete and submit this form. As a reminder, this is an optional program. Please make every attempt to return this form by **September 7, 2011**. Kindly take note that after the orders for the quarter are tallied, new orders will not be added.

Also available for purchase each day are a la carte items: chips & pretzels, cheese sticks, yogurt, granola bars, apple sauce, fruit cups, and small waters. Chips are 50 cents and all other items are 25 cents.

This program is run by the H&SA and we rely on volunteers to help distribute the sandwiches and hot dogs. If you have one or two days a quarter where you can volunteer an hour of your time, please consider joining this dedicated group. What's required? Set out snack, water, and dessert baskets – collect money for a la carte items – restock baskets and tally cash box. Sandwiches are picked up from the store already made and wrapped – no sandwich making required! Hot dogs are cooked and wrapped in the kitchen. Please contact one of the daily coordinators to sign up.

The lunch coordinators are (Subway), (Bagels), and (hot dogs).
