

CAR POOL SHEET

June 2011

Dear Parent,

Saint Timothy Middle School is eager to assist in any way possible to help with transportation arrangements for those parents who live outside West Hartford. We would be willing to coordinate car pool information if you are interested. Simply complete the information requested below and return it to the school by **Friday, July 15, 2011**. (We will not be able to include addresses received after that date.) Shortly after August 10th we will mail the information to all who have given us permission to do so. You will then be able to make arrangements with one another.

Returning parents to Saint Timothy Middle School must re-register in order to have their names included on the car pool listing. We hope that this service will be of help to those commuting to STMS from outside West Hartford.

Sincerely,

STMS School Office
