Mission Statement

Saint Timothy Middle School is committed to meeting the needs of early adolescents, grades six through eight in the greater West Hartford area. We seek to provide a challenging curriculum which fosters academic excellence and to promote harmony with self, with others and with God in a caring environment centered on the gospel values of our Lord, Jesus Christ.

Student Application

Thank you for your interest in enrolling your child at Saint Timothy Middle School. Saint Timothy has had a tradition of excellence in education since 1960. We invite you to become more familiar with our school as you investigate the academic choices for your child's very important middle school years.

The application process involves these essential steps:

- We must receive a copy of your child's current school records, including the final report card, a writing sample in the student's handwriting, and any standardized testing (e.g., IOWA, Stanford, Mastery, etc.). A release of records form is included with this application form. Simply complete the form and send it to your child's **current school**.
- We must receive this fully completed application form with the required **application processing fee of \$50.00**.

When the above items are received, you will be contacted to arrange for a personal interview with you and your child.

The academic program at Saint Timothy Middle School is a challenging one and admission is competitive. Students must be capable of keeping up with the academic demands, as we do not offer an adjusted curriculum. Extra-curricular and co-curricular activities in competitive and intramural sports, the arts, clubs and community outreach enhance the schedule. During their three years of middle school at STMS, our students deepen their understanding and practice of their Christian faith. Faculty and staff, as well as students and their families, commit themselves to the message of our school motto, *Academic Excellence Through the Light of Faith*. STMS students are well prepared to succeed at high schools of their choice.
