

STMS School Lunch Program (3rd Quarter)

A program of the Home & School Association

If your student would like to order Subway sandwiches, Lox Stock & Bagel sandwiches, or hot dogs for the second quarter, please complete and submit this form. As a reminder, this is an optional program. Please make every attempt to return this form by **January 20, 2012**. Kindly take note that after the orders for the quarter are tallied, new orders will not be added.

Also available for purchase each day are a la carte items: chips & pretzels, cheese sticks, yogurt, granola bars, apple sauce, fruit cups, and small waters. Chips and granola bars are 50 cents. Cheese, yogurts and water are 25 cents.

This program is run by the H&SA and we rely on volunteers to help distribute the sandwiches and hot dogs and can always use more. What's required? Set out snack, water, and dessert baskets – collect money for a la carte items – restock baskets and tally cash box. Sandwiches are picked up from the store already made and wrapped – no sandwich making required! Hot dogs are cooked and wrapped in the kitchen. Please contact one of the daily coordinators to sign up.

The lunch coordinators are Vivki Ferrell vickiferrell@me.com (Subway), Emily Daponte eadaponte@gmail.com (Bagels), and Kathy Gill kmrandall13@yahoo.com (hot dogs).
